(1) The uninhabited subject area is within the urban confines of the City and will generate service needs substantially similar to that of other incorporated urban areas which require municipal government service;

(2) Annexation to the City of Lodi of the subject area will result in improved economics of scale in government operations while improving coordination in the delivery of planning services;

(3) The residents and taxpayers of the County of San Joaquin will benefit from the proposed reorganization as a result of savings to the County by reduction of County required services in unincorporated but urban oriented area;

(4) The subject area proposed to be annexed to the City of Lodi is geographically, socially, economically and politically part of the same urban area of which the City of Lodi is also a part;

(5) The subject area is within the Lodi Sphere of Influence; and

(6) Future inhabitants in the subject area will gain immediate response in regard to police and fire protection, unlimited City garbage and trash collection service, street lighting service, a modern sewer system, other municipal services, and improvement of property values.

NOW, THEREFORE, BE IT RESOLVED by the Lodi City Council that the San Joaquin County Local Agency Formation Commission is hereby requested to approve the proposed "Lackyard Annexation" which includes annexation of 28.15 acres more or less, and detachment from the Woodbridge Rural Fire Protection District, the Woodbridge Irrigation District, and the San Joaquin County Resource Conservation District as described in Exhibit A attached hereto.
